Free Monthly Housing Clinics

Our monthly housing clinics offer a detailed presentation on a critical housing-related topic, followed by a question and answer session. We also provide information on how to obtain free legal assistance. (Available in multiple languages.)

**December 2021 Clinic:
Troubleshooting the NYS ERAP Program
& Other Rental Arrears Assistance
Wednesday, December 1st, 6pm - 7pm
Via Zoom**

To register for the December Clinic & submit your questions,
go to [HelenRosenthal.com](https://www.HelenRosenthal.com).

Our housing clinics are a valuable tool for all who rely on New York City's rental housing system. Volunteer attorneys discuss how you can protect your rights, navigate Housing Court, and prevent eviction.
